

Twin Lakes Junior Golf League

This program is designed for children, ages 14-17 who have played the game for several years and/or gone through an introductory program in the past. Junior players will focus on full swing techniques as well as course game management. It is specifically targeted for kids looking to play high school golf in the future.

The junior league will start Friday, July 11 and continue on each Friday morning until August 1. Instruction will begin at 8:00 a.m. and junior golfers will tee off at 9:00 a.m. and play 9 holes. Each clinic will be geared toward improving each players' scoring skills by focusing on parts of their game that will most impact their score. Putting, chipping, pitching, bunker play, and distance control will be emphasized.

Scores and scoring statistics will be kept each week to track each players' progress and pinpoint specific areas of the game to focus on.

On the last day of play there will be a luncheon, students will receive awards and a golf gift.

The Golf League will be directed by Jeff Coble, the PGA Director of Golf at Twin Lakes. Jeff has over 18 years of golf instructional experience. He takes great pleasure in developing young golfers, to date he has worked with 24 players who have gone on to play collegiate golf. Jeff has developed an effective teaching philosophy that blends the natural, athletic motion seen in other hitting sports, with fundamental pre-swing checkpoints. Jeff will also focus on short game "scoring" shots to make your child a complete player.
